

Are all dance studios the same?

Here's why Arts in Motion is the right choice...

	<u>Arts in Motion</u>	<u>Other Studios</u>
Small class sizes—maximum of 8 per class for ages 2.5-4, and 12 per class for ages 4.5 and up		
All studios are equipped with vinyl “Marley” dance floors which offer a controlled slip and help reduce the risk of injuries		
Parent observation every week, in studio, in chairs		
Front desk staff available to assist you during afternoon and evening class hours		
Adult instructors who have dance degrees, professional performing experience, and years of teaching and training		
Age appropriate, family friendly music and classes		
Potent, inspiring programs based on children’s natural development patterns		
No costumes, makeup, or expensive recital fees		
Non-competitive Ensemble program for dancers who wish to have more performance opportunities		
Students and parents are never required to fund raise for studio or Ensemble events
